British Agility & YuMOVE Partnership

“From all of us at YuMOVE, we’d like to wish all the competitors the very best of luck at the upcoming British Agility event! We cannot wait to see you in action, we love watching you work with your dogs, and know that your hard work will pay off during the competition.

From the very beginning of our journey, YuMOVE was created with the needs of canine athletes in mind. We attended our first agility show all the way back in 2007 – the East of England Champ Show – and since then have been proudly supporting canine athletes of all stripes. Whether via our annual presence at Crufts, or our partnership with British Agility, we take real pride in helping every dog achieve their full potential.

We are so excited to be a part of this journey with you all, helping to keep your dogs active for life. Team YuMOVE would also like to say a big thank you to all the staff assisting at the event and showing their continued support for the sport and competitors. Good luck everyone!
