

Press release – October 2023

The British Agility Championships sponsored by YuMOVE will take place on 3rd – 5th November 2023 at Onley Equestrian Centre in Rugby. Now in its 9th year this independent event has become a popular in the agility calendar due to supporting all levels at one event on grade-specific courses.

Onley Equestrian Centre is situated in the Warwickshire countryside. The Championships are held indoors and the venue offers fantastic facilities, eateries and ample viewing covering all arenas.

The weekend is open to all ages and abilities with some of our youngest competitors being 6 years old.

Over the 3 day event we will see a variation of breeds from Miniature Schnauzers to Border Collies battle it out to become British Agility Champion.

The Director of British Agility and also Global Ambassador of YuMOVE, Anthony Clarke is one of the UK's top trainers with 20 years' experience working with dogs and taking every dog he has owned to the very top level of British Agility.

This year's championships will be bigger and better than ever with a record number of entries up 60% on 2022. We have 5 judges who will all bring something different to the judging panel; all judges have different course styles so competitors will be able to test their skills. Some of the prizes on offer this year include Naylor's agility equipment, SWAG training toys & leads and YuMOVE offering the winner a lifetime supply of YuMOVE for their dog.

Why not come along and join us or support your team mates. Spectator entry is free for the whole weekend and supporters encouraged.
